

Florencia Viera

Miami, FL | Florenciaviera4@gmail.com | linkedin.com/floviera | github.com/floviera

Passionate developer with a focus on Front End Web Development. Recent project work and studies have been centered on expanding and refining technical skillset, particularly with JavaScript, HTML/CSS and React. Interested in opportunities where I will be able to continue to foster my passion and skills and drive success for an organization.

Front End Development	Javascript	HTML	CSS	
React.js	Bootstrap	PHP		Python
Flux	API's	SQL		Django
